Good Afternoon-

I obtained final approval of the MOU, though there were a few minor edits. I've attached a redlined version to show you where the minor edits were made. I've also attached a pdf of the clean version with EPA's signature.

If your agencies are accepting of the minor edits, please sign the clean version. If there are some issues we still need to address due to these last minute changes, please let me know.

Thanks,  
Kris

Kristin and Ivy:

Attached is a copy of the MOU with Christie True's signature on behalf of King County.

Thanks for all the effort and work being done on Pillon's property. I understand that the clean-up began on Friday.
